The Subaru Impreza first appeared on the World Rally scene in 1993, taking a hat-trick of World Rally Manufacturers' Championships, in 1995, 1996 and 1997. The drivers the likes of Marku Alen, Ari Vatanen, and Colin McRae have competed in the World Rally Championship in Imprezas and all went on to winning the World Rally Drivers' Championship in Imprezas. These cars continued to compete on the World Rally stage until the end of 2008, when the Subaru World Rally Team unfortunately withdrew from rallying. Detective Inspector Lisa Becker is fuming: Her bathroom scale is becoming more and more impertinent, the nice guy next door is too intrusive, her sexy colleague is not intrusive enough, an alley cat has moved into her apartment – and then there is this serial killer who beheads people in their sleep. Who needs that? There seems to be no connection between the murders. The killer could be insane, choosing victims at random. Lisa is convinced that that's not the case, and after lots of digging she finds the motive... An unconventional thriller from Berlin, full of irony, an offbeat detective and lots of blood-covered carpets.

Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include: History of the Impreza, and early days in competition with the Leone and the
