Truth, I love manga but hate books adaptation into graphic novels. You have the feeling the author is mocking you by creating new extras which are completely useless, except with Clockwork Angel. The Infernal Devices is a fantasy steampunk series which took place in London. Every of these elements are accurate and fit very well with the manga style.

The Infernal Devices: Clockwork Angel by Cassandra Clare

A prequel to Cassandra Clare's Mortal Instruments series, The Infernal Devices is the story of Tessa Gray, a sixteen-year-old American girl traveling alone to Victorian London who runs afoul of the city's sordid supernatural underworld. Rescued by the Shadowhunters of the London Institute, Tessa quickly finds herself caught up in an intrigue that may very well destroy her new friends - including the two enigmatic young men, Jem and Will, who have taken her under their wing...
