Detailed analysis of Characters in William Gibson's The Miracle Worker. Learn all about how the characters in The Miracle Worker such as Annie and Helen contribute to the story and how they fit into the plot.

A text of the television play, intended for reading, of Anne Sullivan Macy's attempts to teach her pupil, Helen Keller, to communicate.

A Study Guide for William Gibson's "The Miracle Worker," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

Experience the miracle of understanding that we all take for granted. An ideal play for students with a low reading level. Gain insight into the difficulties of being blind and/or deaf. Put events from the novel in order as they happened when Annie and Helen were eating dinner. Students attempt to understand the motivations of the characters in the play. Find the synonym of the vocabulary word from the text. Explain the event in Helen's past that made it possible for her to realize what 'water' was. Research the real-life location of Ivy Green and plan a field trip to this important location. Identify all the problems and their solutions in a chart. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: This story is an emotional and vivid portrayal of the relationship between a child and her teacher. Helen Keller is rendered deaf and blind at an early age, and by the time she is six years old, her behavior becomes completely unmanageable. In desperation, her parents send for teacher Annie Sullivan to bring some discipline into the spoiled child's life. Helen and Annie become locked in a ferocious battle of wills, but Annie is determined to bring a sense of discipline into Helen's life. Annie teaches Helen words by constantly spelling them into Helen's palm. Although Helen can spell them back, she doesn't understand that these words actually represent things. At the water pump Annie spells "water" into Helen's hand and suddenly the miracle happens—Helen understands.

The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.

Colin Fischer is 14 and has Asperger's. Although he struggles to understand human emotions, he's brilliant at logical deduction. Sherlock Holmes is his pin-up. When a gun fires into the ceiling of the school cafeteria, everyone blames Wayne, school bully and usual suspect. But Colin Fischer turns detective; only he spots a connection between the gun and some birthday cake. Only Colin can uncover the truth. A brilliantly entertaining read for anyone who loved The Curious Incident of the Dog in the Night-time.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Describes the relationship between Helen Keller and her teacher, Annie Sullivan, and includes excerpts from letters written by Annie about her work with Helen.

“Every teacher, every student of history, every citizen should read this book. It is both a refreshing antidote to what has passed for history in our educational system and a one-volume education in itself.” —Howard Zinn A new edition of the national bestseller and American Book Award winner, with a new preface by the author Since its first publication in 1995, *Lies My Teacher Told Me* has become one of the most important—and successful—history books of our time. Having sold nearly two million copies, the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship and was heralded on the front page of the *New York Times*. For this new edition, Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems, and calls out academic historians for abandoning the concept of truth in a misguided effort to be “objective.” What started out as a survey of the twelve leading American history textbooks has ended up being what the *San Francisco Chronicle* calls “an extremely convincing plea for truth in education.” In *Lies My Teacher Told Me*, James W. Loewen brings history alive in all its complexity and ambiguity. Beginning with pre-Columbian history and ranging over characters and events as diverse as Reconstruction, Helen Keller, the first Thanksgiving, the My Lai massacre, 9/11, and the Iraq War, Loewen offers an eye-opening critique of existing textbooks, and a wonderful retelling of American history as it should—and could—be taught to American students.

We are a supernatural people. Made in the image of God and called to follow a risen Lord through the world God made—we're anything but normal. Given all that, it should not be surprising to us when miraculous things happen in our midst. Still, many of us are intimidated at the thought of it, and we stop short of trying so we won't disappoint God with our lack of faith, or—if we're being honest—so we won't be disappointed when God fails to deliver. In *Miracle Work*, Jordan Seng tells remarkable stories of physical healings and prophetic messages. He reflects on the possibility and limitations of a contemporary ministry that believes in the power of God, and helps us train and prepare ourselves for when God works through us in the lives of others. Read *Miracle Work* for a better understanding of what it means to be agents of grace, healing and even miracles in a world that desperately needs the good news of God's loving, healing touch.
