Answer: The first thing we notice about this parable is its similarity to the Parable

# Where To Download The Seed Underground A

of the Sower in Mark 4:2-9. In some ways, this parable expands on Jesus' teaching of how the "good soil" (a receptive heart) receives the "seed" (the Word of God). In the Parable of the Growing Seed, Jesus tells of a man who scatters seed on the ground and then allows nature to take its course.

Start your seeds 6 – 8 weeks before your last frost date. Plant them ¼ inch deep in a container filled with pre-moistened soil. I find that if I plant seeds in dry soil and

# Where To Download The Seed Underground A

then wet it, the soil and the seeds tend to float out of the container so I lightly water my soil first before planting my seeds.

Once the seeds are planted, I do a more thorough watering.
